

PROFILES & TRIMS

Take Your Design To the Edge™

AnyColor™

Unlock an unlimited world of possibilities

LATICRETE Profiles & Trims are offered in an array of standard colors including our most popular grout colors, allowing for a cohesive design and installation.

Custom colors are also available as part of the LATICRETE AnyColor™ program. Create one-of-a-kind looks using a unique color scheme or match an existing motif to create renovations and additions that flow seamlessly into a project.

Complete Your Custom Look

No other profiles manufacturer gives you the ability to combine your profiles with custom grout and caulk colors. Now, the only limit to your design is your imagination!
